

ALL RESIDENTS

Beginning Monday June 11 through Saturday June 16,2007

✧ WEATHER DEPENDENT ✧

DAVEY TREE & LAWN CARE EXPERTS

will be on-site spraying for pine beetles 6/11/07 -
6/16/07. Please note the following:

- Work will start as early as 6:00 a.m.
- All spraying is weather (wind and rain) dependent
- We cannot guarantee a specific day for an individual property
- If you see the sprayers, please keep children and pets inside until 30 minutes after spraying is completed in your area. Shut all windows if applicable for the duration of the application.

Thanks for your understanding. Your forest thanks
you, too!
