**RE: LARSON STORM DOORS**

The following information was provided by an owner and may prove helpful to anyone purchasing a new storm door. Suitable matching storm doors are manufactured by Larson Doors, the model is Tradewinds Full-View Brushed Nickel and the color is Earth-tone Brown. Doors can be special ordered through Lowe's and the model # shown on the Larson website is 346-52. Currently, the cost of the door is \$311.83 before taxes.
