

MEMORANDUM

TO: All Ski Run Homeowners
FROM: Karen Shramo, HOA Liaison
SUBJECT: New Resident Manger
DATE: May 22, 2008

As most of you are probably aware, Zach Johnson has left Wildernest to pursue other interests. While Zach will be greatly missed, we feel that a valuable replacement has been found in your new Resident Manager, Travis Glynn.

Travis is a native of Summit County, and brings significant experience to the position he occupies. You can reach Travis at 970-418-0137, or via email at glynnt@wildernest.com. Please welcome Travis when you see him on-site, and let him know if you have any maintenance concerns you'd like addressed.

As always, for any HOA questions or concerns, you can reach me at 970-468-6291, ext 252 or shramok@wildernest.com.
