

# SPECIAL NOTICE

## Ski Run Pool Closing for Repairs

The pool at Ski Run will be closed for work from approximately October 17 - November 22, 2005. If work is delayed, it could be closed longer. The complete pool will be resurfaced, the tiles repaired and replaced, depth and no diving signs put in place, the pebble deck cleaned and clear coated, the walls touched up, and wood around the sauna and Jacuzzi varnished. We expect to have everything open by Thanksgiving week. Please keep in mind that not all workman follow their schedule however, and there could be a slight delay.
