Subject: STR Roof Work Bldgs 700 & 710

ATTENTION SKI TIP RANCH HOMEOWNERS

On July 17, 2008, Turner Morris will begin roof work on Buildings 700 and 710.

Affected units are as follows:

8746, 8747, 8748, 8749, 8742, 8743, 8744, 8745

Metal roof panels will be installed on the low slope portions of your roof.

Turner Morris will begin assembling equipment and materials onsite on July 16, 2008 and start work on the morning of July 17, 2008.

Please make arrangements to notify any rental tenants/agents of this work.

If you have any questions, please contact Travis Glynn at 970-418-0137 or Sheila Skaggs, WPM, at 970-468-6291x290.
